2/14/67

Harold

Last night was told by a contact at Esquire that Schiller & Lewis are doing a book on the critics (one chapter each) to be published by Dell (300,000 copies).

Do you know anything about this ??

Sylvia

P.S. Another witness died — Harold Russell, killed by a cop in a brawl in a bar in Oklahoma!

P.P.S. Please send the document on Mrs. Arnold if possible, as discussed.
